Inclement Weather

Creative Movement and Dance® *follows the same cancellations for inclement weather as the county in which your child's school is located. One cancellation is accounted for in the cost of tuition. For more than one, classes will be made up within 30 days of the cancelled class. Makeup day and time will be posted in the lobby, and notices will be emailed to all families.*

Holiday & Teacher Workdays

Schools throughout the metro Atlanta area have several teacher workdays which CMD does not observe. CMD will hold classes as scheduled on these days (except at Winter Break). As detailed in your registration brochure, CMD follows the same holiday closings as the county in which your child's school is located for Thanksgiving, Winter Break, and Spring Break only. Private schools and church enrichment programs may differ – at these schools, we follow their closing schedule.

What's New?

Our 2026-27 theme for May's dance recitals is ***Under the Sea.***

Many parents ask if their child will be learning the same things in 2nd or 3rd years of instruction. The answer is "definitely not." Every year we rotate in a new and updated syllabus and choreography from our 30+ year history. CMD's Program Director is constantly updating programs, even on a week-to-week basis.

We are currently taking

costume inventory, and ordering new costumes to prepare for recitals in May.

CMD holds semi-annual teacher syllabus meetings, to ensure top quality, up-to-date training for all instructors.
