Inclement Weather

Creative Movement and Dance® follows the same cancellations for inclement weather as the county in which your child's school is located. One cancellation is accounted for in the cost of tuition. For more than one, classes will be made up within 30 days of the cancelled class. Makeup day and time will be posted in the lobby, and notices will be emailed to all families.

Holiday & Teacher Workdays

County schools throughout the metro Atlanta area have several teacher workdays scheduled which CMD normally does not observe (see note at right). CMD will hold classes as scheduled on all other teacher work days. As detailed in your registration brochure, CMD follows the same holiday closings as the county in which your child's school is located for Thanksgiving, Winter Break, and Spring Break only. Private schools and church enrichment programs may differ – at these schools, we follow their closing schedule.

Kicking

Your Soccer Champ has learned a lot since September, and continues to have fun while improving skills. We're now focusing on kicking, and improving the accuracy of the kicks. They've learned the proper way to kick, with the "laces" part of the foot. We use drills like "1-2-3-Kick" to reinforce this, and they're thrilled to see how accurate they are when using proper technique.

The Soccer Champs have also learned a lot about sportsmanship and teamwork. We've taught the concepts of offense vs. defense, and are now introducing the role of goalies. With each step, your Champ is learning more about the complete game, and becoming more confident.

Note: CMD normally holds classes on Teacher Workdays – but when they fall at the beginning or end of Winter Break, they're treated as part of the holiday, as noted above.

CMD does not observe closings for Fall Breaks and other County closings at child care facilities. We have no classes for Thanksgiving, Christmas, and Spring Breaks only. Generally (churches can vary), other than those holidays, if the day care is open, we have classes. Obviously, if the school or day care is closed, there will be no class.
