May Recitals

Happy New Year! As we start the second half of the school year session, we would like to remind you that we continue to uphold age appropriate and stress-free expectations for your child's training as we progress toward our May recitals.

We are now setting recital and performance dates, going through costume inventory, confirming photographers for most locations, and preparing show outlines. We are very excited about the May performances, and expect each one to be a success. Recitals are truly the highlight of the year!

Recital dates will be posted at each location, on March 1st. We will also have dates, times, and additional information posted on our website on March 1st. All but a few performances will be held at the same location as the classes. There are no recital (performance) or costume fees. Costumes are provided by CMD, and are to be returned immediately after the performance.

During the past few months, teachers have noticed that some students have outgrown their ballet slippers. Please check your ballerina's slippers to make sure they fit properly. Check your child's tap shoes as well, if enrolled in Tap-Ballet. As always, be sure to label your child's name on their shoes and all dance attire.
